Second Annual Homelessness Awareness Walk

Friday, October 30, 2009

In memory of Howard Marquardt who passed away July 25 on a park bench outside of the Herberger Theater Center and in support of all those who experience homelessness every day we will walk to build awareness of this pressing issue.

Join other concerned citizens in educating the public and policy-makers regarding the current status of homelessness in Maricopa County to wrap-up Homelessness Awareness Week.

Local service providers will have information booths at the Capitol. Attendees will be able to learn about available services and social services agencies needs for in-kind items and volunteers.

SPEAKERS:

Jacki Taylor, Arizona Coalition to End Homelessness

Chad Campbell, Arizona House of Representatives
