Chat with a Tutor

Chat with a Tutor

New this year is the **“Chat with a Tutor”** feature. Look for the **“Chat with a Tutor”** button on the bottom of the page. If you have questions about the content or need help, you can click on the button and instantly open a chat with an Edgenuity tutor. Tutors are available 7 days a week. See below for hours of availability. (Tutors may not be available during holidays.)

Please note: You can still reach out to the teacher of record for the course for help. The Chat with a Tutor feature will enable you to get immediate help.
