Cumulative Exams

- All Edgenuity courses have a cumulative (final) exam.
- This exam is worth 20% of the overall grade for most courses.
- These exams are taken online and monitored when given. We use GoGuardian software, already loaded on student Chromebooks, to monitor the exams.
- Students **must** use their school issued Chromebooks for exams.
- Final Exams are automatically scheduled for Monday, December 16 - Wednesday, December 18.
 - No appointment necessary - just log on between 7:30 a.m. and 1:30 p.m. We will see that you are online and will unlock the exam.
- If you complete a course prior to the exam dates, you can schedule to take your exam earlier. Please email one of the Supervising Teachers to set up a time to take the exam.

Getting ready for the exams

Edgenuity uses a lot of working memory to run its videos, labs, and games. This will bog down your Chromebook over time. To get your Chromebook ready for exams, clear your Chromebook's cache to help it run more efficiently. See the instructions on how to clear your Chromebook's cache.

Clearing your Chromebook's cache

1. Tap the three dots in the top-right corner of the screen
2. Hover over "More Tools" and then select "Clear browsing data"
3. Check the box next to Cached Images and Files
4. Click Clear Data
