Cumulative Exams

- All Edgenuity courses have a cumulative (final) exam.
- This exam is worth 20% of the overall course grade for most courses.
- These exams need to be monitored when given. You will take them online. We use GoGuardian software to monitor the exams.
- Students need to use their school-issued Chromebooks to take the exams.
- Final Exams are automatically scheduled **7:30 am – 2 pm** on the following days:
 - **Seniors: Wednesday, April 30 – Friday, May 2**
 - **All else: Monday, May 19 – Wednesday, May 21**
- If you are testing on the scheduled testing days, you do not need to schedule a time – just log in on your school-issued Chromebook.
- *If you complete a course prior to the exam testing dates, you can schedule to take your exam earlier.* Please email one of the supervising teachers to set up a date and time for taking the exam.
