

## **Millennium Counseling**

The Millennium Counselors are available to you during our school closure! Beginning March 18th our online office hours will be 9am - 2pm Monday - Friday. During this time, counselors will be available through email.

If there is a specific time that you would like to communicate with your counselor, via email or Google Hangout, you are welcome to select an appointment time slot using your assigned counselor's link. Otherwise, please email if you have any questions and your counselor will respond in a timely manner within the office hours.
