

Fun Facts About May

Some Native American tribes called the May full moon The Full Flower Moon, The Corn Planting Moon or the Milk Moon.

The Anglo Saxon word for May was Tri-Milchi meaning 3 milks because the grass had become so lush and green that you could milk the cows three times a day.

To maintain a youthful appearance and enhance your beauty, wash your face in the dew you collect on the morning of the first of May.

- Marry in May, you'll rue the day.
- Wash a blanket in May, you'll wash a dear one away
- A cold May is kindly and fills the barn finely.
- Mist in May and heat in June makes harvest come right soon.

Once the tallest building in the world and currently the fifth tallest building in the United States, the Empire State Building opened for all on May 1, 1931. This 443 meter tall building held the honor of being the tallest building of the USA until the World Trade Center was completed in 1973. After the WTC attacks on 09/11/2001, the Empire State Building was temporarily the tallest but in 2014, One World Trade Center opened at a symbolic 1,776 feet.
