## Supporting Agua Fria Athletics

To Our Valued Community Partners,

Agua Fria High School graciously thanks you for your support during the last 50 plus years. Along with the generous contributions of businesses and community members who have been a part of the West Valley have long supported Agua Fria, and newcomers have contributed greatly as well.

I have a new challenge for our Prideful Agua Fria Community. Times have become challenging in the past six months. The Agua Fria Athletic Dept and Teams have a different look this year, but we still want your support. We want to be able to give our athletes, parents, fans, and you the opportunity to still be a spectator!!!

The Pixellot is a new online camera system that will be installed in our Gym and Athletic Stadiums to give you an online streaming option to watch our games and still support AFHS from your own home and in your businesses. So we challenge you with offering five different avenues to support the Owls financially personally or from a business stand point. Agua Fria Athletic Department again offers community businesses and their families the opportunity to advertise services while supporting Owl athletics and extracurricular activities.

- **Be an Owl: Tax Credit**—\$200/ Single or \$400/ Family
- **Owls Online: Pixellot Online Game Advertisement**—\$300
- **Owlettes: New Business Sponsor 4x8 banner**—\$350
- **Wise Owls: Includes Returning Business Sponsor 4x8 banner**—\$250
- **Owl Pride Package: Includes Banner & Online Ad**—\$500

During the Fall, banners line the track in Ronald R. Wood Stadium; in the Winter, the banners adorn the walls of O.K. Fulton Gymnasium; and in the Spring, the banners dress the outfield wall of Des Combes Diamond, our varsity baseball field. We will also recognize your business at least once during each home football game and throughout the other seasons of play via the message board on our scoreboard. This is a unique opportunity to reach the public and show support for Agua Fria.

Our teams are looking forward to starting back with sports this school year. It takes One Owl to help make a difference in our programs...And we want YOU to be a part of OWL NATION!! So join us in an effort to keep Athletics rolling at Agua Fria. Go Owls!

Respectfully,

**Autumn Daniels**
