

HSI EXCELLENCE—Helping You EXCEL at College

With the support of the HSI EXCELLENCE program, you don't have to face the challenges of college alone. With HSI EXCELLENCE, you can get the resources and guidance needed to achieve your college goals!

The HSI EXCELLENCE program offers you the following:

- Personalized guidance in navigating college, work, and family
- Access to learning support resources such as calculators, textbooks, and other tools
- Dedicated success coaches to support your college experience
- Financial Assistance to cover essential resources, basic needs, and tuition balances
- Opportunities for your family and support system to be a part of your academic success

Application Requirements

- Be enrolled at one of the following Maricopa Community Colleges: Estrella Mountain, Gateway, Glendale, Mesa, Phoenix, or South Mountain
- Be enrolled in a certificate program or degree pathway
