A new government benefit, the Affordable Connectivity Program (ACP), provides eligible households with a discount on internet services and devices. The benefit provides \$30/month to buy internet service and \$100 to buy a computer or tablet.

Cox is continuing to offer the Connect2Compete option for eligible families which allows families to purchase internet services for \$9.95/month and includes a modem. The ACP program can be used to cover the \$9.95 fee.
