

Welcome to Agua Fria Athletics! We are so happy to have you as part of the Owl family of student – athletes. Our hope is to create athletic programs that provide a positive experience for every athlete and a great sense of camaraderie and unity within their team. As a student – athlete, you have academic and athletic responsibilities. As an Agua Fria Owl, you are expected to demonstrate great pride, leadership, sportsmanship, act responsibly and respectfully, study hard, practice hard, and do your best in your classes while being committed to your team.

Below are some useful links regarding our sport programs in 2021 – 2022!
We are looking forward to a fantastic school year!

Sincerely,
Autumn Daniels
Athletic Director/Assistant Principal
