Device Protection Plan

Students and parents have the option of purchasing the Device Protection Plan to minimize any costs that may arise during the school year.

See the district’s website for more details. www.aguafria.org/dpp

DPP is $30 per device, per school year. The activation deadline is Friday, September 11. Payment can be made at the Bookstore.

Parent / Guardian Responsibilities

A strong partnership between school and home will help students be successful with the 1:1 Technology Program.

Parent/Guardian responsibilities are to:
- Review all of the information in the handbook.
- Pay for Device Protection Plan offered by the District or assume full financial responsibility for damage, loss, or theft.
- Monitor student use away from school.
- Ensure the device is properly cared for outside of school, and the student is expediting the necessary steps to receive technical assistance when needed.

Acceptable Use

(specified in Governing Board Policy IJNDB-R)

Students must:
- use technology provided by the district (devices and network) to support educational objectives consistent with the educational goals and objectives of the school district.
- not submit, publish, display, or retrieve any defamatory, inaccurate, abusive, obscene, profane, sexually-oriented, threatening, racially offensive, or illegal material.
- abide by all copyright and trademark laws and regulations.
- not reveal home addresses, personal phone numbers, or personally identifiable data unless authorized to do so by designated school authorities.
- not use the network in any way that would disrupt the use of the network by others.
- not use technology provided by the District for commercial purposes.
- follow the District’s code of conduct.
- not attempt to harm, modify, add, or destroy software or hardware that interferes with system security.
- understand electronic mail or direct electronic communication is not private and may be read and monitored by school employed persons.
- understand inappropriate use may result in cancellation of permission to use the technology provided by the district and appropriate disciplinary actions up to and including expulsion for students.

Additional information available in the Student Rights & Responsibilities Handbook at www.aguafria.org/studenthandbook

Unacceptable Use

Unacceptable use includes, but is not limited to:
- Using the school device for non-school related purposes.
- Sharing usernames, passwords and other identifiers, or using another’s username and password to access their account.
- Using an unreasonably high level of internet bandwidth.
- Violating copyright laws.
- Altering or removing components of the device, or attempting to repair the device.

Do not allow any unauthorized user to access your account or school device. Students are accountable for any activity that occurs on the student’s account and school device.
