---

Dear Members of the Millennium Community:

Millennium High School will be continuing with the current procedures on how parking passes are obtained and maintained by students throughout the 2020-2021 school year.

The administration of Millennium met with parents and students, using their input and feedback, to craft a fair and equitable policy toward parking passes.

The process is as follows:

- There will be an application process beginning on April 1, 2020. Applications are due on April 17, 2020. No applications will be accepted after this date.
- Any current sophomore or junior wishing to buy a parking pass for the 2020-2021 school year will be required to complete this application.
- If the student has violated any of the following criteria in the 2019-2020 school year, they will automatically not be considered for a parking pass in 2020-2021
  - 20 or more absences in a single class during the 19-20 school year (school business/medical not included in total count)
  - 2 Out of School Suspensions
  - 4 Total Referrals
  - Any single: Drug, Alcohol, Tobacco/Vaping, or Fighting Suspension
  - Student must be on track to graduate
- Priority will be given as follows:
  1. Eligible current juniors
    - Note: If there are more eligible current juniors than available parking spaces, the passes will be assigned through a lottery.
  2. Eligible current sophomores through a lottery system
- A waiting list will be created through a lottery system
- Any violations of the criteria listed above, will result in a student's parking privilege being revoked. The space will then be issued to a student on the waiting list.

Applications can be picked up in the bookstore beginning **April 1.** Applications are to be turned back in to the bookstore by **April 17<sup>th</sup>.**

We appreciate your understanding and ask for your cooperation as we continue with this policy.
