## **Agua Fria High School District hosts Annual Fine Arts Showcase**

The Agua Fria Union High School District Annual Arts Showcase was a success. Student artists from all five schools participated in this event to show their love and passion for different mediums of art. There were multiple parts to the showcase. First, a gallery displaying 2D art from all five schools and art classes from the district gave visitors an insight into the artists' heads by being able to admire paintings and sketches from different students. In another room, you could find the 3D art gallery displaying various ceramics pieces and sculptures. In the auditorium, visitors enjoyed different performances varying from acting skits, to dance and choir performances. Finally, the main gym was filled with the sound of music as the school bands performed.

At the very end of the showcase, Buckeye Mayor Eric Orsborn awarded his prize ribbon to his favorite piece of art in the showcase. "I wish I could split this ribbon in a hundred different ways, it's so hard to choose. The showcase is awesome. I wish more people would know about it... it's just really special to be here celebrating the students that have put the art together."

This year's Art Showcase was attended by families and friends across the district and was filled with laughter, music, and overall fun. To view pictures from the event and to stay up-to-date on more fine arts events, visit [aguafria.org/arts](http://aguafria.org/arts).

#####

*Agua Fria Union High School District was established in 1955. Today, the district serves the communities of Avondale, Buckeye, Goodyear, Litchfield Park, Waddell and part of Glendale with its six high schools: Agua Fria, Canyon View, Desert Edge, Millennium, Verrado and Agua Fria Online. Plus the District offers two alternative programs: Coldwater Academy and New Directions. More information can be found at [aguafria.org](http://aguafria.org)*
