

Student Name

AFUHSD ID
Number

Students and parents/guardians are responsible for the following information. Please check off each statement indicating you have read and understand the statement, and sign the form.

Students enrolling in Agua Fria Online should be starting credit current. Sophomores would start with no fewer than 6 credits, juniors would start with no fewer than 12 credits, and seniors would start with 18 credits.

Credit
Current

If, during the time a student is attending Agua Fria Online, they fall behind in credits, or their academic achievement declines, they may be required to attend their zoned AFUHSD school.

Report cards will be issued for the first semester, and again for the second semester. If a student does not finish the semester on time, they may receive a grade of NC (No Credit). Students who fall behind may be required to attend their zoned AFUHSD school the following school year.

NC

Other than seniors, students must take 6 classes while attending Agua Fria Online, unless also attending WestMec or an AFUHSD school in addition to Agua Fria Online.

Full Time

A student caught plagiarising will have their class put on hold. They will be able to resume their class once they have completed a redirection lesson. If the student is caught plagiarising in the same class a second time, the student will be withdrawn from the class. Should this happen, the student may be required to return to their zoned AFUHSD school for the next semester.
